

## Yearly Meeting Planning Committee Report for SCYM 2021.

After confirmation that SCYM 2021 is to be a virtual one, the Planning Committee joining with some members of other Committees worked on a few schedule ideas sampled from other Quaker organizations on how they had their virtual meetings. With these ideas combined with our SCYM 2020 virtual meeting, we worked to propose a couple of schedules for the Representative Meeting held winter of 2020.

From there we were given the go ahead on the schedule format for SCYM 2021 that we are using this year. Planning then worked with the additional volunteers from the other Committees to assign the various activities during SCYM. Activities like Business meetings, Workshops, Home groups, Keynote address as well as all the other activities we tend to have.

This schedule was reported to RM part 2 held in January 2021 and given approval. Planning worked on the logistics of setting up SCYM 2021 working on the Technical aspects and tweaking the schedule pretty much up to the start of SCYM 2021.

At the rise of SCYM 2021, Tom Ivash will step down as Clerk of Planning Committee turning over the reins to Denise Wilkinson. The PC will have four members. We could use more but we can persevere.

In the Light,

Tom Ivash  
Planning Committee Clerk.
