

# Y'all Come

## Parents, children & youth are invited to come to SCYM sessions at Greene Family Camp

There will be activities for children and youth that are fun, active and quiet, indoors and out, singing and listening, for all ages or for younger children or older children and youth. They will focus on art, nature, outdoor fun and games, stories and indoor activities. We will share Quaker stories and faith. Activities are held during daytime adult programming sessions so parents can attend the adult program. This is a chance to meet, have fun with and worship with Quaker adults and children from Texas, Oklahoma, Arkansas and Louisiana!

**Hope to see you there!**
