

Loving in the Light, Quaker Engagement in Times of Crisis

Call for Workshops:

The pandemic, BLM movement, the election, climate change, immigration crisis, and more- all have affected and hopefully inspired each of us in different ways. With our Annual Session moving quickly upon us, we hope that you might embrace this opportunity to share your experience, thoughts and learnings with others.

We are looking for workshops that range from possible topics that might speak to this historic time we live in. Some ideas are:

Pastoral Care During Times of Covid

Spiritual Nurturing

Quaker Children's Programs During This Pandemic

How Our Meetings are Addressing Anti-Racism

Early Quakers or Quaker History

Meeting response to rental rights and eviction notices

Quaker response to police brutality and the use of lethal force

Quaker response to the national Poor Peoples Campaign

Quaker Leadership in times of Crisis

We invite Friends to share their gifts with others through an hour long Zoom workshop. If you would like to offer a workshop, please submit a written description of your topic to workshops@scym.org. We must have your submission NO LATER THAN AUGUST 26thth for consideration.
