

Presented by Liz Wolff --

The committee arrived in the run up to the Yearly Meeting in disarray – people on the committee (Liz Wolff, Joni Mize and Tracy Carmack) were able to cover the 2 late night worship sessions and the Easter morning worship. As of this writing, Wednesday evening March 31, the person from the Dallas Meeting who was to clerk the reading of the Passion now cannot do that so we are working to find a replacement. For things that need to happen at Yearly Meeting if we are ever again not to be in person, it would help to have access to the registration list (sometimes even if we are in person) to find the people coming to ask to take roles.

I will check the Nominating committee report to see who is the incoming clerk since I just stepped into the work recently since there was not much respond to the Clerk.
