

## **Finance Committee Report to Fall 2021 RM**

### **Fees for In-person Yearly Meeting 2022**

The Finance Committee proposes that for YM 2022, which we plan to have in-person at Greene Family Camp, a \$50.00 registration fee for everyone. SCYM will pay for the basic housing, food and program costs, with funds to be drawn on the surplus in the YM Event Fund. Those wanting better than the basic housing – motel or single rooms – will be charged the difference above the basic cost. Subsidizing the YM expenses will encourage as many people as can to attend and participate in a celebration of coming back together.
